## Artist Information Sheet

*Thank you for participating in our 10th annual event!*

Some complimentary lodging is offered by the friends of Ti Arts. It will be assigned on a first come basis upon receipt of the paid registration. Please let us know on your registration sheet if you would like to be housed. You must be fully vaccinated against Covid to be eligible for housing.

In 2019, we extended the event by adding a day for anyone wishing to paint an additional day. This year, registration will open on Tuesday and the Show opening will be held on Friday evening. The paintings will remain hung until Saturday afternoon. We will be sending additional information to those artists registered for the event. Topics to be covered: possible painting sites and area maps, guidelines for submission of art pieces, schedule of events and invitations to the artists evening gatherings. (Dinner, pizza party, boat rides and more!)
