THE BEST BARGAINS IN TOWN

The Elizabethtown Thrift Shop is at the economic heart of our community, and has served the people of Essex County for 7 years. In 2015 the Thrift Shop moved from its original location above the Deer's Head Inn, to a larger ground floor space at the corner of Court Street & High Street, (next door to Adirondack Chevrolet) The Thrift Shop is a non-profit charity and staffed entirely by community volunteers.

The Thrift Shop officers want to thank all those in the community who have donated surplus clothing, toys and house wares to the Shop. We have new items arriving every day and word of the great bargains that are available is spreading fast. New customers come from as far as Canada and Vermont just to shop in Elizabethtown.

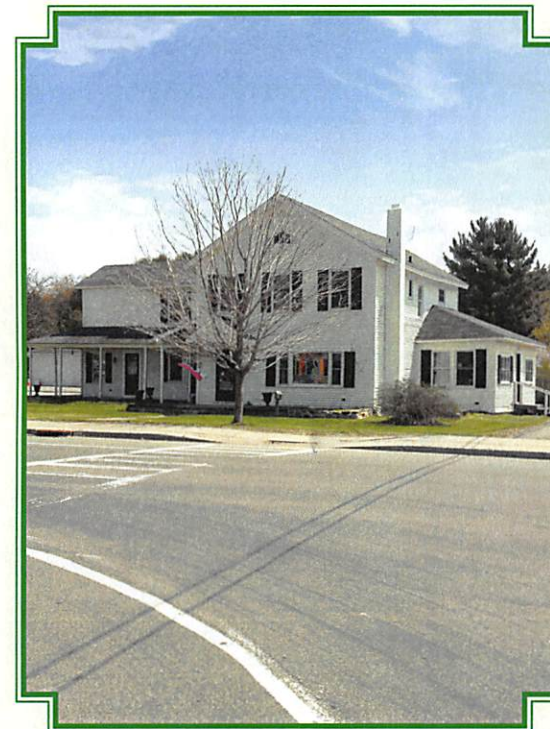

All profits the Thrift Shop makes is used to support four churches in Elizabethtown and Lewis. The Thrift Shop also makes clothing available at no cost to the clients of five organizations. (ACAP, Social Services, Families First, The Food Shelf and the Office of Aging). Unsellable linens are donated to the SPCA and we also support the High Peaks Hospice Blue Box.

Some of our best customers are our volunteers. New Volunteers are welcome and will be trained by the senior staff. If you want to volunteer even 2 hours a month, call (518) 873-1050 and leave your contact information with one of volunteers. Remember! Bargain Begin Here!
