## INTRODUCTION TO ICE FISHING

FEBRUARY 19 + 21, 2019 9am-1pm

### **CROWN POINT STATE HISTORIC SITE**

**We:** supply all the gear you'll need for the day: line, tip ups, cleats, handwarmers, sunscreen, bait and buckets.

**You:** dress in layers, have hat, gloves, waterproof boots and a bag lunch. Our site staff will teach the basics of rigging and setting up a tip up and baiting. But we can't promise they'll bite. But we'll try our best to send you home with a fish!

We look forward to a great day out on the ice of Bulwagga Bay.
